RULES

TEAM COMPOSITION

Teams are composed of 3 members. No substitution is allowed during the competition. 100 points penalty is given to teams losing a member during the test. A team ending the competition with only one member is considered as withdrawn.

EQUIPMENT

Each team shall be provided with the following items:

mountain bag in use by the national armed forces or of civil use having shape and colour of military type, compass, coordinate-meter, utility knife, pocket lamp, pen and notebook, binoculars, protractor.

Each team member shall be provided with the following items: canteen, rainwear.

A penalty will be applied in case of lack of an item or more.

IDENTIFICATION NUMBER

The leader of the team must wear the id number till the end of the competition. The number must be read with no problem. If the id number is lost or concealed a 300 points penalty will be given to the team.

LANGUAGES

Instructions, orders and tests sheets are in English, French and German . The Italian text is the official one; no information given by the referees or other people is a valid proof in case of claim.

WEATHER

The competition will take place in all weathers.

CLAIMS

Claims must be addressed by writing to the Direction of the competition by giving a money caution of € . 25,00 . Such amount will be paid back the same day if the claim is accepted. Claims will be examined by the jury at the end of the competition.

TESTS ORGANIZATION

The Organization Committee may change, if necessary, the itinerary, the schedule and the type of tests. The team members of whatever rank must follow the directives of the competition referees.

MEDICAL RESPONSIBILITY

Each participant must be aware of his own level of training and physical condition. Medical exams cannot be carried out before the competition. Each test director has the indisputable right to stop an injured competitor for security reasons at least till the arrival of a doctor who will certify the possibility for the injured to go on with the competition.

ORGANIZATION RESPONSIBILITY

The Organization committee denies any responsibility for damages to people or things that might happen during the competition.

TEST ASSESSMENT

The whole team must overcome the tests. The timing is taken from the start till the end of the competition. The waiting times between the arrival and the starting of the test are not calculated. In case of parity, the race time will set out the winner. The competition jury has the indisputable right to give a 200 points penalty for having skipped a check point or used forbidden apparatus (radios, calculators, manuals, cellulars). The time limit, including the stops at the check points, for the completion of the test is of 6 hours after the departure of the last team. Behind this time limit the teams, still competing, will be stopped at the further check point. **Anyway, for security reasons the competition will be stopped at 7.00 p.m.**
